

Fill in the gaps

Was a long and dark December
From the rooftops I remember
There was snow
White snow
Clearly I remember
From the (1) (2) (3)
watching
While we (4) down below
When the future's architectured
By a (5) of idiots on show
You'd better lie low
If you (6) me
Won't you let me know?
Was a long and dark December
When the banks became cathedrals
And the fog
Became God
Priests (7) (8) bibles
Hollowed out to fit their rifles
And the (9) was (10) aloft
Bury me in honor
When I'm dead and hit the ground

A love back (11) it unfolds
If you love me
Won't you let me know?
I don't want to be a soldier
With the (12) of some sinking ship
With snow, far below
So if you love me
Why'd you let me go?
I (13) my love down to violet hill
There we sat in snow
All that (14) she was silent still
So if you (15) me
Won't you let me know?
If you (16) me,
Won't you let me know?
