

Can you help me out?

Can you lend me a hand?

It's safe to say that I'm stuck again

Trapped between this life and the light

I just can't figure out

How to make it right

A thousand times before

I've wondered if there's something more

Something more

I feel it's (1)_____ rain like this for days

So let it rain (2)____ and wash everything away

I hope that tomorrow the sun will shine

With every tomorrow comes (3)_____ life

I feel it's gonna rain

For days and days

I feel it's gonna rain

I tried to figure out

I can't understand

What it (4)_____ to be whole again

Trapped between the truth and the consequence

Nothing's real

Nothing's making sense

A thousand times before

Fill in the gaps

I've wondered if there's something more

Wash (7) my yesterdays

So let the rain fall down on me
