There's a long black train			
Coming down the line			
Feeding off the souls that are lost and cryin'			
Rails of sin only evil remains			
Watch out brother for (1) long black train			
Look to the heavens you can look to the sky			
You can (2) redemption staring back into			
(3) eyes			
There is protection and there's (4) the same			
Burning your ticket for that long black train			
'Cause there's vict'ry in the Lord I say			
Vict'ry in the Lord			
Cling to the Father and his holy name			
And don't go riding on that long black train			
There's an engineer on that (5) black train			
Making you wonder if the ride is worth the pain			
He's just a waiting on your heart to say			
Let me ride on that long black train			
But you know there's vict'ry in the Lord I say			

victry in the Lord			
Cling to the Father and his holy name			
And don't go riding on that long black train			
Well I can hear the (6)	_ from a mile away	
t sounds so good but I must stay away			
That train is a (7)	makir	ng everybody stare	
But its only destination is the middle of nowhere			
But you know there's vict'ry in the Lord I say			
Vict'ry in the Lord			
Cling to the (8)	and his	holy name	
And don't go riding on that long black train
