There's a long (1) train
Coming down the line
Feeding off the (2) that are lost and cryin'
Rails of sin only evil remains
Watch out brother for that long black train
Look to the heavens you can look to the sky
You can find redemption staring back into your eyes
There is protection and there's peace the same
Burning your ticket for that long black train
'Cause there's vict'ry in the Lord I say
Vict'ry in the Lord
Cling to the Father and his holy name
And don't go riding on that long black train
There's an engineer on that long black train
Making you wonder if the ride is worth the pain
He's just a waiting on your (3) to say
Let me ride on that long (4) train
But you know there's vict'ry in the Lord I say

Victiry in the Lord
Cling to the Father and his holy name
And don't go riding on that long black train
Well I can hear the whistle from a (5) away
It sounds so good but I must stay away
That train is a beauty making everybody stare
But its (6) destination is the middle of nowhere
But you know there's vict'ry in the (7) I say
Vict'ry in the Lord
Cling to the Father and his holy name
And don't go riding on that (8) black train
I said cling to the Father and his holy name
And don't go riding on that long black train
Yeah (9) out brother for that long black train
