

'Cause I don't believe in you anymore, anymore

Fill in the gaps

Wake up with blood-shot eyes	I wonder if it even makes a difference
Struggled to memorize	Even makes a difference to try
Nay it felt to hearing lies	Yeah
People that made you cry	And you told me how you're feelin'
Feel so good to be bad	But I don't believe it's true anymore, anymore
Not worth the aftermath	I wonder if it even makes a difference to cry
After that, after that	So this is goodbye
Try to get you back	I've been (8) before, one day, a week
(1) don't have the reason	And it won't hurt anymore
And you don't have the time	You caught me in a lie, I have no alibi
And it really makes me wonder	The words you said don't have a meaning 'cause
f I ever gave a **** about you	I still don't have a reason
Give me something to (2) in	And you don't have the time
Cause I don't believe in you anymore, anymore	And it really makes me wonder
(3) if it even makes a difference to try	If I ever gave a **** about you and I
Yeah, so (4) is goodbye	So this is goodbye
Can't stop my spinning head	Give me something to believe in
Decisions that made my bed	'Cause I don't believe in you anymore, anymore
Now I (5) lay in it	I wonder if it even makes a difference
Deal (6) things I've left unsaid	Even (9) a difference to try
Want to dive into you	Yeah
Forget what you're going through	And you told me how you're feelin'
Get behind, make your move	But I don't (10) it's true anymore, anymore
Forget about the truth	I wonder if it even makes a difference to cry
still don't have a reason	So this is goodbye
And you don't have the time	So this is goodbye
And it really makes me wonder	Yeah, so this is goodbye
flever (7) a **** about you	Yeah, so this is goodbye
Give me something to believe in
