Wake up with blood-shot eyes	I wonder if it even makes a difference
Struggled to memorize	Even makes a difference to try
Way it felt to (1) lies	Yeah
People that made you cry	And you told me how you're feelin'
Feel so (2) to be bad	But I don't (11) it's true anymore, anymore
Not worth the aftermath	I wonder if it even (12) a
After that, after that	(13) to cry
Try to get you back	So this is goodbye
I (3) don't have the reason	I've been here before, one day, a week
And you don't have the time	And it won't hurt anymore
And it really makes me wonder	You caught me in a lie, I have no alibi
If I (4) gave a **** about you	The (14) you said don't have a meaning 'cause
Give me something to believe in	I still don't (15) a reason
'Cause I don't believe in you anymore, anymore	And you don't (16) the time
I wonder if it (5) makes a difference to try	And it really makes me wonder
Yeah, so this is goodbye	If I ever (17) a **** about you and I
Can't stop my spinning head	So this is goodbye
Decisions that made my bed	Give me something to (18) in
Now I (6) lay in it	'Cause I don't believe in you anymore, anymore
Deal with (7) I've left unsaid	I wonder if it (19) makes a difference
Want to dive into you	Even makes a difference to try
Forget what you're going through	Yeah
Get behind, make your move	And you told me how you're feelin'
Forget about the truth	But I don't believe it's true anymore, anymore
I (8) don't have a reason	I wonder if it even (20) a difference to cry
And you don't have the time	So this is goodbye
And it really makes me wonder	So (21) is goodbye
If I ever gave a (9) about you	Yeah, so this is goodbye
Give me (10) to believe in	Yeah, so this is goodbye
'Cause I don't believe in you anymore, anymore
