

'Cause I don't believe in you anymore, anymore

Fill in the gaps

Wake up with blood-shot eyes	I wonder if it even makes a difference
Struggled to memorize	Even makes a difference to try
Way it felt to hearing lies	Yeah
People (1) made you cry	And you told me how you're feelin'
Feel so good to be bad	But I don't believe it's true anymore, anymore
Not worth the aftermath	I wonder if it even (6) a difference to cr
After that, after that	So this is goodbye
Try to get you back	I've been (7) before, one day, a week
I still don't have the reason	And it won't (8) anymore
And you don't (2) the time	You caught me in a lie, I have no alibi
And it really makes me wonder	The words you said don't have a meaning 'cause
If I ever gave a **** about you	I still don't (9) a reason
Give me something to believe in	And you don't have the time
'Cause I don't believe in you anymore, anymore	And it really makes me wonder
I (3) if it even makes a	If I ever gave a **** about you and I
(4) to try	So this is goodbye
Yeah, so this is goodbye	Give me something to believe in
Can't (5) my spinning head	'Cause I don't believe in you anymore, anymore
Decisions that made my bed	I wonder if it (10) makes a difference
Now I must lay in it	Even makes a difference to try
Deal with things I've left unsaid	Yeah
Want to dive into you	And you told me how you're feelin'
Forget what you're going through	But I don't believe it's true anymore, anymore
Get behind, make your move	I wonder if it even makes a difference to cry
Forget about the truth	So this is goodbye
I still don't have a reason	So this is goodbye
And you don't have the time	Yeah, so this is goodbye
And it really makes me wonder	Yeah, so this is goodbye
If I ever gave a **** about you	
Give me something to believe in
