

## Fill in the gaps

When I get to Warwick Avenue	You think you're (12) but you don't
Meet me by the (1) of the tube	(13) me
We can (2) things (3) a little time	I've been confused out of my (14) lately
Promise me you won't step out of line	You (15) you're loving but you don't
When I get to (4) Avenue	(16) me
Please drop the past and be true	I want to be free, baby you've hurt me
Don't (5) we're okay, just because I'm here	All the days (17) together
You hurt me bad, but I won't (6) a tear	I (18) for better
I'm leaving you for the last time baby	But I didn't (19) the train
You (7) you're loving but you don't love me	To (20) now it's departed
I've been confused out of my (8) lately	I'm (21) hearted, seems like we
You think you're loving but I want to be free	(22) started
Baby you've (9) me	All those days spent together
When I get to Warwick Avenue	When I wished for better
We'll (10) an hour, but no more than two	And I didn't (23) the train to come
Our only chance to speak once more	
I showed you the answers, now here's the door	You think you're loving but you don't love me
When I get to Warwick Avenue	I want to be free, baby, you've hurt me
I'll tell you (11) that we're through	You don't love me, I want to be free
