

## Fill in the gaps

\_\_ you

I was all right	I (6) that I
For a while	Was over you
I could smile for a while	But it's true, so true
But I saw you last night	I (7) you even more
You held my (1) so tight	Than I did before
As you stopped to say hello	But darling, what can I do?
(Oh) you wished me well	For you don't love me
You, you couldn't tell	And I'll always be
That I've (2) (3) over you	Crying over you, (8) (9)
Crying over you	Yes, now you're gone
Then you said so long	And from this moment on
Left me standing all alone	I'll be crying, crying, crying
Alone and crying	Crying
Crying, crying, crying	Yeah, crying
It's (4) to understand	Crying over you
But the touch of your hand	
Can (5) me crying	

- 1. hand
- 2. been
- 3. crying
- 4. hard
- 5. start
- 6. thought
- 7. love
- 8. crying
- 9. over
