

Fill in the gaps

You know I'm bad at communication	Always keep your heart (13) tight
It's the hardest thing for me to do	Don't let your mind retire (oh)
And it's said, it's the (1) important part	But I just couldn't take it
That (2) will go through	I tried hard not to fake it
And I'd give it all away	But I fumbled and when I came down to the wire
Just so I could say that	It felt great
I know, I know, I know	It felt right (oh)
That you're gonna be OK anyway	But I fumbled and (14) I came down to the wire
You know there's no rhyme or reason	It felt great
For the way you turned out to be	It felt right (oh)
I didn't go and try to change my mind	But I fumbled and (15) I came down to the wire
Not intentionally	(Ooh yeah)
I know it's hard to hear me say it	Always keep your heart locked tight
But I can't bear to stay and	Don't let your mind retire
I (3) know, I know, I know	Always keep your (16) locked tight
That you're gonna be OK anyway	Don't let (17) mind retire (oh)
Always keep your heart locked tight	But I just couldn't take it
Don't let your mind retire (oh)	I tried (18) not to fake it
But I just couldn't take it	But I fumbled and (19) I came down to the wire
I tried hard not to (4) it	But I just couldn't take it
But I fumbled and when I came down to the wire	I (20) hard not to fake it
It felt great	But I fumbled and when I came down to the wire
It felt right (oh)	It felt great
But I fumbled him (5) I (6) (7)	It felt right (oh)
to the wire	But I fumbled and when I came down to the wire
It (8) great	It felt great
It felt right (oh)	It felt right (oh)
But I fumbled him when I (9) down to the wire	But I (21) and when I came (22)
(Does) (10) imagination	to the wire
Try to make you what you (11) to be	It (23) great
Because I'm sorry I do what I did	It felt right (oh)
But it came naturally	But I fumbled and when I came down to the wire
And I gave it all away	(Yeah, yeah, yeah)
Just so I could say that	It felt right (oh)
Well I know, I know, I know	But I (24) and when I came down to the
That you're gonna be OK anyway	wire
Well I try to keep myself together	(Ooh yeah, yeah, yeah)
After all the opportunities	(No, no, no, no, no)
I try to stay (12) to you and try to	It (25) great (it felt right)
Do what you wanted for me	It (26) great (it felt right)
And I'd give it all away	It felt great
Just to hear you say that	(No, no, no, no, no)
Well I know I know, I know	But I (27) and when I came down to the
That you're gonna be OK anyway	wire
