

We were born with (9)_____ and we

Fill in the gaps

Things We Lost In The Fire by Bastille

Things we lost	Sure as (10) have nothing now, you said
To the flames	We (11) born with nothing and we
Things we'll never	Sure as (12) have (13) now
See again	These are the things
All that we	The (14) we lost
Have amassed	The things we (15) in the fire, fire, fire
Sits before us	These are the things
Shattered into ash	The things we lost
These are the things	The things we (16) in the fire, fire, fire
The (1) we lost	Do you understand that we will
The things we (2) in the fire, fire, fire	Never be the (17) again
These are the things	Do you understand that we will
The things we lost	Never be the (18) again
The things we lost in the fire, fire, fire	The future's in our hands and we will
Ve sat and made a list	Never be the same again
Of all the things that we had	The future's in our hands and we will
Down the backs of (3) tops	Never be the (19) again
Ficket stubs and your diaries	These are the things (these are the things)
read them all one day	The (20) we lost (the (21) we
When loneliness came and you were away	lost)
Dh, they told me (4) new	The things we (22) in the fire, fire, fire
But I love to read the (5) you used	These are the (23) (these are the things)
These are the things	The things we lost (the things we lost)
The things we lost	The (24) we lost in the fire, fire, fire
The things we (6) in the fire, fire, fire	These are the (25) (these are the things)
These are the things	(The things we lost)
The things we lost	These are the (26) we lost in the fire, fire
The things we lost in the fire, fire, fire	Flames they licked
was the match and you were the rock	The walls
Maybe we started (7) fire	Tenderly they turned to dust
Ve sat (8) and watched	All (27) I adore
All we had burned on the pyre, you said	

1. things
