Things we lost		Sure as hell (6)	nothing now, you said
To the flames		We were born with (7) and we	
Things we'll never		Sure as hell have nothing now	
See again		These are the things	
All that we		The things we lost	
Have amassed		The things we lost in the fire, fire, fire	
Sits before us		These are the things	
Shattered into ash		The things we lost	
These are the things		The things we lost in the fire, fire, fire	
The things we lost		Do you understand that we will	
The (1)	we lost in the fire, fire, fire	Never be the same again	
These are the things		Do you understand that we	e will
The (2)	_ we lost	Never be the (8)	again
The things we (3)	in the fire, fire, fire	The future's in our (9)	and we will
We sat and made a list		Never be the same again	
Of all the things that we had		The future's in our hands and we will	
Down the backs of table tops		Never be the same again	
Ticket stubs and your diaries		These are the things (these are the things)	
I read them all one day		The things we lost (the things we lost)	
When loneliness came and you were away		The things we (10) in the fire, fire, fire	
Oh, they told me nothing new		These are the things (these are the things)	
But I love to read the words you used		The things we lost (the things we lost)	
These are the things		The things we lost in the fire, fire, fire	
The things we lost		These are the things (these are the things)	
The things we lost in the fire, fire, fire		(The things we lost)	
These are the things		These are the things we lost in the fire, fire	
The things we lost		Flames they licked	
The (4) we lost in the fire, fire		The walls	
I was the match and you (5) the rock		Tenderly they turned to dust	
Maybe we started this fire		All that I adore
