

We should use it

## Fill in the gaps

'm not proud, I was wrong		We could use it (yeah)
And the truth is (1) to take		Lessons in love
felt sure we had enough		Lost without love
But our love went overboard		Lessons in love
Lifeboat (2) lost at sea		When will you ever learn
ve been trying to reach your shore		Lessons in love
Waves of doubt keep drowning me		When there's (5) left to turn
All the dreams		Lessons in love
That we were building		Don't let your spirit burn
We never (3)	_ them	Lessons in love
Could be better		I'll (6) till you return
Should be better		All the dreams
For		That we (7) building
_essons in love		(Yeah, yeah, yeah)
For restless eyes		We never lived them
Egos burn		We (8) lose it
And the mould is hard to break		We (9) use it (for lessons in love
Now we've waded in too deep		For lessons in love
And love is overboard		All the homes
Heavy hearts, token words		That we were building
All the hopes I ever had		We never lived in
Fade like footprints in the sand		Could be better (could be better)
All the homes		Should be better (yeah)
That we were building		Lessons in love
We never lived in		If we lose
Could be better		The time before us
Should be better		The future will ignore us
_essons in love		(We should use it)
f we lose		(We could use it)
The time (4) us		
The future will ignore us
