

We should use it

Fill in the gaps

I'm not proud, I was wrong	We could use it (yeah)
And the (1) is (2) to take	Lessons in love
I felt (3) we had enough	Lost (13) love
But our (4) went overboard	Lessons in love
Lifeboat (5) lost at sea	When will you ever learn
I've (6) to reach your shore	Lessons in love
Waves of doubt (8) drowning me	When there's (14) left to turn
All the dreams	Lessons in love
That we were building	Don't let your (15) burn
We never fulfilled them	Lessons in love
Could be better	I'll wait (16) you return
Should be better	All the dreams
For	That we (17) building
Lessons in love	(Yeah, yeah, yeah)
For restless eyes	We never lived them
Egos burn	We could lose it
And the mould is hard to break	We should use it (for (18) in love
Now we've (9) in too deep	For lessons in love
And love is overboard	All the homes
Heavy hearts, token words	That we were building
All the hopes I ever had	We (19) in
Fade like footprints in the sand	Could be better (could be better)
All the homes	Should be better (yeah)
That we were building	Lessons in love
We never lived in	If we lose
Could be better	The time (21) us
Should be better	The future will (22) us
Lessons in love	(We should use it)
If we lose	(We could use it)
The (10) before us	
The future (11) (12) us
