

We should use it

## Fill in the gaps

I'm not proud, I was wrong	We could use it (yeah)
And the truth is hard to take	Lessons in love
I felt sure we had enough	Lost without love
But our love went overboard	Lessons in love
Lifeboat lies lost at sea	When will you ever learn
I've been trying to reach your shore	Lessons in love
Waves of (1) keep drowning me	When there's (4) left to turn
All the dreams	Lessons in love
That we were building	Don't let your spirit burn
We never fulfilled them	Lessons in love
Could be better	I'll wait till you return
Should be better	All the dreams
For	That we (5) building
Lessons in love	(Yeah, yeah, yeah)
For restless eyes	We never (6) them
Egos burn	We could lose it
And the (2) is hard to break	We should use it (for lessons in love)
Now we've waded in too deep	For (7) in love
And love is overboard	All the homes
Heavy hearts, token words	That we were building
All the hopes I ever had	We never lived in
Fade like (3) in the sand	Could be (8) (could be better
All the homes	Should be (9) (yeah)
That we were building	Lessons in love
We never lived in	If we lose
Could be better	The time before us
Should be better	The future will ignore us
Lessons in love	(We (10) use it)
If we lose	(We could use it)
The time before us	
The future will ignore us
