

## Fill in the gaps

| I've (1) seen a diamond in the flesh                | we don't care                                       |
|---|---|
| I cut my teeth on (2) rings in the movies           | We're (14) Cadillacs in our dreams                  |
| And I'm not (3) of my address                       | But everybody's (15) cristal, maybach               |
| In the torn up town                                 | Diamonds on your ten piece                          |
| No (4) code envy                                    | Jet planes, islands, tigers on a gold leash         |
| But (5) song's (6) gold teeth, grey                 | We don't care                                       |
| goose   | We aren't (16) up in your love affair               |
| Trippin' in the bathroom                            | And we'll never be royals (royals)                  |
| Blood stains, (7) gowns, trashin' the hotel room    | It doesn't run in our blood                         |
| We don't care                                       | That (17) of (18) (19) ain't                        |
| We're driving Cadillacs in our dreams               | for us  |
| But everybody's like cristal, maybach               | We crave a different kind of buzz                   |
| Diamonds on your ten piece                          | Let me be your (20) (ruler)                         |
| Jet planes, islands, tigers on a gold leash         | You can call me Queen B                             |
| We don't care                                       | And baby I'll rule I'll rule I'll rule              |
| We aren't caught up in your love affair             | Let me live that fantasy                            |
| And we'll never be royals (royals)                  | (Oh oh oh)  |
| It doesn't run in our blood                         | We're bigger (21) we ever dreamed                   |
| That kind of love just ain't for us                 | And I'm in (22) with (23) queen                     |
| We crave a different kind of buzz                   | (Oh oh oh)  |
| Let me be your ruler (ruler)                        | Life is game without a care                         |
| You can call me Queen B                             | We aren't caught up in your love affair             |
| And baby I'll rule, I'll rule, I'll rule, I'll rule | And we'll never be royals (royals)                  |
| Let me (8) that fantasy                             | It doesn't run in our blood                         |
| My friends and I we've cracked the code             | That (24) of (25) just ain't for us                 |
| We count our dollars on the train                   | We crave a (26) kind of buzz                        |
| To the party  | Let me be your ruler (ruler)                        |
| And (9) who knows us knows                          | You can call me Queen B                             |
| That we're fine with this                           | And baby I'll rule, I'll rule, I'll rule, I'll rule |
| We didn't (10) from money                           | Let me live that fantasy                            |
| But (11) song's like (12) teeth, grey               |   |
| goose   |   |
| Trippin' in the bathroom                            |   |
| Blood stains, (13) gowns, trashin' the hotel room   |   |
