

## Fill in the gaps

In a city like (1) there's	We (5) silenced by the night
No point in fighting	But you and I we gonna rise again
I close my eyes see	Divided from the light
You and me driving	I (6) love the way we used to when
If I am a river	'Cause baby I'm not scared
You are the ocean	Of this world when you're here
Got the radio on got	And (7) I'm not scared
The wheels in motion	Of this world when you're here
We were silenced by the night	(Oh oh oh)
But you and I we (2) (3) again	You and I we gonna rise again
Divided from the light	(Oh oh oh)
I wanna love the way we used to when	You and I we (8) (9) again
I lie in the dark, I feel I'm falling	We were silenced by the night
Feel your hand on my back hear	But you and I we gonna (10) again
Your voice calling	Divided from the light
I'm out of my depth girl, stick (4) to me	I wanna love the way we used to be
Because the people in this town	
They look straight through me
