

## Fill in the gaps

### Silenced By The Night by Keane

In a city like mine there's  
No point in fighting  
I close my eyes see  
You and me driving  
If I am a river  
You are the ocean  
Got the radio on got  
The wheels in motion  
We were silenced by the night  
But you and I we gonna rise again  
Divided from the light  
I wanna love the way we used to when  
I lie in the dark, I feel I'm falling
