In a city like mine there's	We (4) silenced by the night
No point in fighting	But you and I we gonna rise again
I close my eyes see	Divided from the light
You and me driving	I wanna love the way we used to when
If I am a river	'Cause baby I'm not scared
You are the ocean	Of this world (5) you're here
Got the radio on got	And baby I'm not scared
The (1) in motion	Of (6) (7) (8)_
We were (2) by the night	(Oh oh oh)
But you and I we gonna rise again	You and I we gonna rise again
Divided from the light	(Oh oh oh)
I wanna love the way we used to when	You and I we (9) rise again
I lie in the dark, I feel I'm falling	We were silenced by the night
Feel your hand on my back hear	But you and I we gonna rise again
Your (3) calling	Divided from the light
I'm out of my depth girl, stick close to me	I wanna love the way we used to be
Because the people in this town	
They look straight through me
