

From turning it around

Fill in the gaps

'm dying to catch my breath	Can you still see the heart of me?
Oh) why don't I ever learn?	All my agony fades away
've (1) all my trust though I've (2)	When you hold me in your embrace
ried	Don't tear me (6) for all I need
Γο turn it around	Make my heart a better place
Can you still see the heart of me?	Give me something I can believe
All my agony fades away	Don't tear it down, what's left of me
When you hold me in your embrace	Make my heart a better place
Don't tear me down for all I need	I tried many times but nothing was real
Make my (3) a better place	Make it (7) away, don't tear me down.
Give me something I can believe	Don't tear me (8) for all I need
Don't tear me down	Make my heart a better place
You've (4) the door now	Don't tear it down, what's left of me
Don't let it close	Make my heart a better place
'm here on the edge again	Make my heart a (9) place
wish I could let it go	
know (5) I'm only one step away
