

## Fill in the gaps

### Iris (Cover) by Sleeping With Sirens

And I'd (1) up forever to touch you	Yeah, you (11) (12) to know you're
Cause I know that you (2) me somehow	alive
You we're closer to heaven	And I don't want the world to see me
Than I'll (3) be	'Cause I don't (13) that they'd understand
And I don't want to go (4) right now	When everything's (14) to be broken
All I can taste is this moment	I (15) want you to (16) who I am
And all I can breathe is your life	And I don't want the world to see me
Sooner or (5) is over	'Cause I don't think (17) they'd understand
(6) don't want to miss you tonight	When everything's (18) to be broken
And I don't want the world to see me	I just (19) you to know who I am
Cause I don't think that they'll understand	And I don't (20) the world to see me
When everything's meant to be broken	'Cause I don't (21) that they'd understand
just want you to know who I am	When everything's meant to be broken
And you can't (7) the (8) that ain't	I just want you to (22) who I am
coming	I (23) want you to (24) who I am
Or the moments of truth in your lies	
When everything (9) (10) the movies
