## Ass Back Home by Gym Class Heroes & Neon Hitch

(Oh) You're so sexy, yo		'Cause they'd a just (5) over it	
I don't know, where you're going		Let em talk, let em talk	
Or when (1) coming ho	ome	Let em talk, let em talk	
l left the keys under the mat to our front door		Like we don't hear what they saying	
For one more chance to hold you close		Let em walk, let em walk	
I don't know, where you're going		Let em walk, let em walk	
Just get your ass back home		We'll just drive by and keep waving	
We both knew this type of life		'Cause you and I above all that	
Didn't come with instructions		Just let them wallow in it	
So I'm trying to do my best to make		Now they all choked up, yuck	
Something out of nothing		'Cause they be swallowing it	
And sometimes it gets downright		I don't know, where (6)	going
Shitty in fact		Or when you're coming home	
When you call and I don't know		I left the keys under the mat to our front door	
What city I'm in at		For one (7) chance to hold you close	
Or what day of the week		I don't know, where you're going	
In the middle of the month		Just get your ass back home	
In a year I don't recall		No one hold me down like you do sweetheart	
It's like my life's on repeat		You keep doing that, I keep doing this	
And the last time we spoke		We'll be alright in the end	
I told you I wouldn't be long		Trust that	
That was (2) November		We put the us in trust, baby	
Now December's almost gone		Let's go	
I'd apologize but I don't realize		I don't care what you're after	
What I'm doing wrong		As long as I'm the one, no	
I don't know, where (3)	going	I don't care why you're leaving	
Or when you're coming home		You'll miss me when you're gone	
left the keys under the mat to our front door		I don't know, where you're going	
For one more chance to hold you close		Or when you're coming home	
I don't know, where you're going		I left the keys under the mat to our front door	
Just get your ass (4) home		For one more chance to (8) you	close
And you've been nothing but amazing		I don't know, where you're going	
And I never take that for granted		Just get (9) ass back home	
Half of these birds would have flew the coop		I'm (10) baby	
But you, you truly understand it
