### Ass Back Home by Gym Class Heroes & Neon Hitch

(Oh) You're so sexy, yo			'Cause they'd a just been over it	
I don't know, where (1)	going		Let em talk, let em talk	
Or when (2)	(3)	home	Let em talk, let em talk	
I left the (4) under the mat to our (5)			Like we don't hear what they saying	
door			Let em walk, let em walk	
For one more chance to hold you close			Let em walk, let em walk	
I don't know, where you're going			We'll just drive by and keep waving	
Just get your ass back home			'Cause you and I above all that	
We both knew this type of life			Just let them wallow in it	
Didn't come (6) instructions		Now they all choked up, yuck		
So I'm (7) to do	my best to make		'Cause they be (18)	_ it
Something out of nothing		I don't know, where you're going		
And sometimes it gets downright			Or (19) you're coming home	
Shitty in fact		l left the (20) (21) th	ne mat to our front	
When you call and I don't know			door	
What city I'm in at		For one more chance to hold you close		
Or what day of the week		I don't know, (22) you're going		
In the middle of the month		Just get your ass back home		
In a year I don't recall		No one hold me down like you do sweetheart		
It's like my (8) on repeat		You keep (23) that, I keep doing this		
And the last time we spoke		We'll be alright in the end		
I told you I wouldn't be long		Trust that		
That was last November		We put the us in trust, baby		
Now December's almost gone		Let's go		
l'd (9) but I don't realize		I don't care what you're after		
What (10) doing wrong		As long as I'm the one, no		
I don't know, where you're going		I don't care why you're leaving		
Or (11) you're coming home		You'll miss me when you're gone		
I (12) the (13) under the mat to our front		I don't know, where you're going		
door		Or (24) you're coming home		
For one more chance to (14) you close		l left the (25) under the mat to our front door		
I don't know, where you're going		For one more chance to hold you close		
Just get your ass (15) home		I (26) know, where you're going		
And you've been nothing but amazing		Just get your ass back home		
And I never (16) tha	t for granted		I'm home baby	
Half of these birds would have f	flew the coop			
But you, you truly understand it				
And the fact you stood beside n	ne			
Every time you heard (17)	bogusness
