Oh my goodness, I can't hide it	My head just can't slow me down
You just (1) when you walked by me (oh)	And I don't care
My goodness	If you don't break my fall
Warning signs that no one showed me	You got me dreaming of a life that
Lost control but please don't hold me back	Anybody else would die for
Gonna go for it	(Oh) baby
I hope your ready for it	Anybody else would die for
(Oh oh)	First (8) I believed in first sight
Cause I don't know (I don't know)	No second thoughts in my mind just felt right
If I can stop now (if I can stop now)	(Oh)
I'm going too fast, heart first	My goodness
My head (2) can't slow me down	(Oh)
And I don't care	'Cause I don't know
If you don't break my fall	If I can stop now
You got me dreaming of a (3) that	I'm going too fast, heart first
Anybody else would die for	My head just can't (9) me down
I'm rolling down hill, no breaks	And I don't care
Can't go (4) now, it's too (5) (oh)	If you don't break my fall
It's too late to look away	You got me dreaming of a life that
And unfeel what I feel for you look away	Anybody (10) would die for
And (6) what I see in you	(Anybody else)
I gonna go for it	You got me dreaming of a life that
I hope you ready cause	Anybody else would die for
I don't know (I don't know)	Anybody else would die for
If I can (7) now (if I can stop now)	
I'm going too fast, heart first
