

Fill in the gaps

I could (1) you up	(Safe and sound)
I could show you what you want to see	(Hold your grown)
And (2) you where you want to be	(Safe and sound)
You could be my luck	I could lift you up
Even if the sky is falling down	I could show you what you (4) to see
I know that we'll be safe and sound	And take you where you want to be
We're safe and sound	You (5) be my luck
I could fill your cup	Even if the sky is (6) down
You know my river won't evaporate	I know that we'll be safe and sound
This world we still appreciate	I could lift you up
You could be my luck	I could show you what you want to see
Even in a hurricane of frowns	And take you where you want to be
I (3) that we'll be safe and sound	You could be my luck
(Safe and sound)	Even if the sky is (7) down
We're safe and sound	I know that we'll be (8) and sound
(Safe and sound)	We're safe and sound
We're safe and sound	We're safe and sound
(Hold your grown)	We're safe and sound
We're safe and sound	We're (9) and sound
(Safe and sound)	(Safe and sound)
I could show you love	We're safe and sound
In a tidal wave of mystery	(Safe and sound)
You'll still be standing next to me	We're safe and sound
You could be my luck	(Hold your grown)
Even if we're six feet underground	We're safe and sound
I know that we'll be safe and sound	(Safe and sound)
	We're safe and sound
We're safe and sound
