You left me in the dark

Fill in the gaps

Cosmic Love by Florence + The Machine

A (1) star	No dawn, no day
Fell from your heart	I'm always in this twilight
And landed in my eyes	In the shadow of (5) heart
screamed aloud	
As it tore through them	I took the stars from our eyes
And now it's left me blind	And then I (6) a map
The stars, the moon	And knew that somehow
They have all been blown out	I could find my way back
ou left me in the dark	Then I heard (7) (8) beating
No dawn, no day	You were in the darkness too
m always in this twilight	So I stayed in the darkness with you
n the shadow of (2) heart	The stars, the moon
And in the dark	They have all (9) blown out
can hear your heartbeat	You left me in the dark
tried to find the sound	No dawn, no day
But (3) it stopped	I'm always in this twilight
And I was in the darkness	In the shadow of (10) heart
So darkness I became	
The stars, the moon	
They (4) all been blown out
