

Fill in the gaps

This I Promise You by Ronan Keating

My love	'Cause I could almost cry now
Here I stand before you	This is forever
I am (1) now	I make this vow to you
From this (2) on	And (8) I look in your eyes
Take my hand	All of my life is (9) me
Only you can stop me shaking	(Oh oh)
We'll share forever	And I'm not (10) anymore
This I promise you	'Cause I already know I'm home
And when I look in your eyes	With every beat of my heart
All of my life is before me	I'll give you my love completely
And I'm not running anymore	My darling
Cause I (3) know I'm home	This I promise you
With (4) beat of my heart	My darling
I'll (5) you my love completely	This I promise
My darling	You
This I (6) you	This I promise you
My love	(Oh) I promise you
I can feel your heartbeat	I promise you
As we dance now	This I promise
Closer (7) before	You
Don't let go	
Don't let ao
