Tomorrow Never Dies by Sheryl Crow

Darling I'm killed	But you bet (8) life
'm in puddle on the floor	Every night
Naiting for you to return	While you (9) (10) morning die
(Oh) (1) a trill	You're not the (11) spy out there
Vacillations good lord	It's so (12) my dear
How to tease	The (13) of wanting you near
How you (2) me to burn	Until the day
t's so deadly my dear	Until the (14) falls away
The power of (3) you near	Until you say there (15) no (16)
Until the day	goodbyes
Until the (4) (5) away	I see it in (17) eyes
Until you say there (6) no more goodbyes	Tomorrow never dies
see it in your eyes	Until the day
Tomorrow (7) dies	Until the world falls away
Darling you won	Until you say (18) (19) no more
t's no fun	goodbyes
Martinis, girls and guns	I see it in (20) eyes
