Tomorrow Never Dies by Sheryl Crow

Darling I'm killed	But you bet your life
I'm in puddle on the floor	Every night
Waiting for you to return	While you chase every (5) die
(Oh) What a trill	You're not the only spy out there
Vacillations good lord	It's so deadly my dear
How to tease	The (6) of wanting you near
How you leave me to burn	Until the day
It's so deadly my dear	Until the world (7) away
The power of wanting you near	Until you say there (8) no more goodbyes
Until the day	I see it in your eyes
Until the (1) falls away	Tomorrow never dies
Until you say (2) will no more goodbyes	Until the day
I see it in your eyes	Until the world (9) away
Tomorrow (3) dies	Until you say there will no more goodbyes
Darling you won	I see it in your eyes
It's no fun	
Martinis, (4) and guns	
It's murder on our love affair
