Fill in the gaps

Love Illumination by Franz Ferdinand

When you're half way from a dream		But inside our love you'll be alright	
Is it hard to work out what is real?		Sweet love illumination	
Is the real over there		Sweet, sweet love celebration	
More vivid (1) here ever feels?		Cop car burn	
We could love		Reason turn	
We could love you		But in a brave new world you'll be alright	
If you need somebody to love you		We could love	
While you're looking for (2)	to love	We could love you	
Sweet love illumination		If you need somebody to love you	
Sweet, sweet love revelation		While you're looking for somebody	
Outside fresh avaricide		We're all (8)	for somebody
But inside our love you'll be alright		We're all looking for	
Sweet love illumination		Somebody to love	
Sweet, sweet love celebration		Sweet love illumination	
Cop car burn		Sweet, sweet love revelation	
Reason turn		Outside fresh avaricide	
But in a brave new world you'll be alright		But inside our love you'll be alright	
You'll be alright		Sweet love illumination	
Is the blackpool (3) light		Sweet, sweet love celebration	
Brighters (4) the light in your home?		Cop car burn	
Were you born to be loved		Reason turn	
But nobody else (5) to know?		But in a brave new (9)	you'll be alright
We could love		Sweet love
