

Fill in the gaps

So close no matter how far
couldn't be much more from the heart
forever trusting who we are
and (1) (2) matters
never opened myself this way
life is ours, we live it our way
all these words I don't just say
and nothing else matters
trust I seek and I find in you
every day for us (3) new
open mind for a (4) view
and (5) else matters
never cared for what (6) do
never (7) for (8) they know
but I know
so close no matter how far
couldn't be much (9) from the heart
forever trusting who we are
and nothing else matters
never cared for what (10) do
never cared for what they know

but I know
never opened myself this way
life is ours, we (11) it our way
all these words I don't just say
trust I seek and I (12) in you
every day for us something new
open mind for a (13) view
and nothing else matters
never (14) for (15) (16)
say
never cared for (17) they play
never (18) for what they do
never (19) for (20) they know
and I know
so close no matter how far
couldn't be much (21) from the heart
forever (22)
forever (22) who we are
