When you were gone

Fill in the gaps

I Love It by Icona Pop & Charli XCX

I got this (1)	on the summer day	I crashed my car (8) the bridge
When you were gone		I watched, I let it burn
I crashed my car into the bridge		I threw your (9) into a bag
I watched, I let it burn		And pushed it down the stairs
I threw your shit into a bag		I crashed my car into the bridge
And pushed it down the stairs		I don't care
I (2)	_ my car into the bridge	l (10) it
I don't care		I don't care
I love it		I love it, I love it
I don't care		I don't care
I got this feeling on the summer day		I love it
When you were gone		I don't care
I (3)	_ my car into the bridge	You're on a different road
I watched, I let it burn		I'm in the milky way
I threw (4)	shit into a bag	You want me down on earth
And (5)	_ it down the stairs	But I am up in space
I crashed my car into the bridge		You're so damn hard to please
I don't care		We gotta kill this switch
I love it		You're from the seventies
I don't care		But I'm a nineties bitch
You're on a different road		I don't care
I'm in the (6) way		I love it
You (7) me down on earth		I don't care
But I am up in space		I love it, I love it
You're so damn hard to please		I don't care
We gotta kill this switch		I love it
You're from the seventies		I don't care
But I'm a nineties bitch		I love it, I love it
I love it		I don't care
I love it		I love it
