

Fill in the gaps

I Love It by Icona Pop & Charli XCX

I got this (1) on the summer day	I crashed my car (16) the bridge
When you (2) gone	I watched, I let it burn
I crashed my car into the bridge	I threw your shit (17) a bag
I watched, I let it burn	And pushed it down the stairs
I threw (3) (4) into a bag	I (18) my car (19) the bridge
And pushed it down the stairs	I don't care
I (5) my car into the bridge	I (20) it
I don't care	I don't care
I love it	I love it, I love it
I don't care	I don't care
I got (6) feeling on the (7) day	I (21) it
When you were gone	I don't care
I crashed my car (8) the bridge	You're on a different road
I watched, I let it burn	I'm in the (22) way
I (9) your shit into a bag	You want me down on earth
And pushed it down the stairs	But I am up in space
I (10) my car (11) the bridge	You're so damn hard to please
I don't care	We gotta (23) (24) switch
I (12) it	You're from the seventies
I don't care	But I'm a nineties bitch
You're on a different road	I don't care
I'm in the milky way	I love it
You want me (13) on earth	I don't care
But I am up in space	I love it, I love it
You're so damn hard to please	I don't care
We (14) kill this switch	I love it
You're from the seventies	I don't care
But I'm a nineties bitch	I (25) it, I love it
I love it	I don't care
I love it	I love it
I got this (15) on the summer day
