I Love It by Icona Pop & Charli XCX

Fill in the gaps

I got this feeling on the summer day	I crashed my car into the bridge
When you (1) gone	I watched, I let it burn
I crashed my car into the bridge	I threw your shit into a bag
I watched, I let it burn	And pushed it down the stairs
I (2) your shit into a bag	I crashed my car into the bridge
And (3) it down the stairs	I don't care
I crashed my car (4) the bridge	I love it
I don't care	I don't care
I love it	I love it, I love it
I don't care	I don't care
I got this feeling on the summer day	I love it
When you were gone	I don't care
I crashed my car into the bridge	You're on a different road
I watched, I let it burn	I'm in the milky way
I threw your (5) into a bag	You want me down on earth
And pushed it down the stairs	But I am up in space
I crashed my car (6) the bridge	You're so damn hard to please
I don't care	We gotta kill (9) switch
I love it	You're (10) the seventies
I don't care	But I'm a nineties bitch
You're on a different road	I don't care
I'm in the milky way	I love it
You want me down on earth	I don't care
But I am up in space	I love it, I love it
You're so damn hard to please	I don't care
We (7) kill this switch	I love it
You're (8) the seventies	I don't care
But I'm a nineties bitch	I love it, I love it
I love it	I don't care
I love it	I love it
I got this feeling on the summer day
