Really Don't Care (Live) by Demi Lovato

		Now if we meet out on the street
You wanna stay, you wanna play		I won't be running scared
You wanna have it all		I'll walk right up to you
You started messing with my head		And put one finger in the air
Until I hit a wall		And (6) you understand
Maybe I should've known		And make you understand
Maybe I should've known		You had your chance, had your chance
That you would walk		But even if the stars and moon collide
You would walk out the door (hey)		I never want you back into my life
Said we were done		You can take your words and all your lies
And met someone and (1)	it in my face	(Oh, oh, oh)
Cut to the (2) she broke your heart		I really don't care
And then she ran away		Even if the stars and moon collide
I guess you shoulda known		I never want you back into my life
I guess you shoulda known		You can (7) your words and all your lies
That I would talk, I would talk		(Oh, oh, oh)
But even if the stars and moon collide		I really don't care
I never want you back into my life		(Oh, oh, oh)
You can take your words and all (3) lies		I really (8) care
(Oh, oh, oh)		Hey, hey never look back
I really don't care		Dumbstruck boy, ego intact
But even if the stars and moon collide		Look boy, why you so mad
I never want you back into my life		Second guess him, but shoulda hit that
You can take your words and all your lies		But even if the stars and moon collide
(Oh, oh, oh)		I never want you back into my life
I really don't care		You can take your words and all your lies
(Oh, oh, oh)		(Oh, oh, oh)
I really don't care		I really don't care
I can't believe		Even if the stars and moon collide
I ever (4) up writing	songs about you	I never (9) you back into my life
You (5) deserve	to know	You can take (10) words and all your lies
The way I used to think about you		(Oh, oh, oh)
(Oh) no, not anymore		I really don't care
(Oh) no, not anymore		(Oh, oh, oh)
You had your shot		I really don't care
Had your shot		
But you (let go)
