But you (let go)

Fill in the gaps

Really Don't Care (Live) by Demi Lovato

	Now if we meet out on the street
You wanna stay, you wanna play	I won't be (13) scared
You wanna have it all	I'll walk right up to you
You started messing with my head	And put one finger in the air
Until I hit a wall	And (14) you understand
Maybe I should've known	And make you understand
Maybe I should've known	You had your chance, had your chance
That you would walk	But even if the (15) and moon collide
You would walk out the door (hey)	I never want you (16) into my life
Said we were done	You can take your words and all (17) lies
And met (1) and rubbed it in my face	(Oh, oh, oh)
Cut to the part she broke your heart	I really don't care
And then she ran away	Even if the stars and moon collide
I guess you (2) known	I never (18) you back (19) my life
l guess you shoulda known	You can take your words and all your lies
That I (3) talk, I (4) talk	(Oh, oh, oh)
But even if the stars and moon collide	I really don't care
I never want you back (5) my life	(Oh, oh, oh)
You can take your words and all your lies	I (20) don't care
(Oh, oh, oh)	Hey, hey never look back
I (6) don't care	Dumbstruck boy, ego intact
But (7) if the stars and moon collide	Look boy, why you so mad
I never want you back (8) my life	Second guess him, but shoulda hit that
You can take your words and all (9) lies	But even if the stars and moon collide
(Oh, oh, oh)	I never (21) you (22) into my life
I really don't care	You can take your words and all your lies
(Oh, oh, oh)	(Oh, oh, oh)
I really don't care	I (23) don't care
I can't believe	Even if the stars and (24) collide
l ever stayed up writing songs (10) you	I (25) want you back into my life
You don't (11) to know	You can take your (26) and all your lies
The way I (12) to think about you	(Oh, oh, oh)
(Oh) no, not anymore	I really don't care
(Oh) no, not anymore	(Oh, oh, oh)
You had your shot	I really (27) care
Had your shot
