## What About Love by Austin Mahone

## Fill in the gaps

I, I'm feeling your thunder	What about us 'til we end?
The storm's getting closer	What about love?
This rain is like fire	You cut my wings, now I am falling
And my, my world's going under	What (7) love?
And I can't remember	What about love?
The reason that you got off the line	(Uh-uh-uh)
You're moving on, you say	What about, what about love?
Here I stay	(Uh-uh-uh)
I'll take this pain, yeah	What about, what (8) love?
I can, I can	(Uh-uh-uh)
But what about love?	What about, what about love?
What about our promises?	(Uh-uh-uh)
What about love?	What about, what about love?
You take it all and leave me nothing	You're moving on, you say
What about love?	Here I stay
What (1) us 'til we end?	Watching every night get colder
What (2) love?	You're moving on, you say
You cut my wings, now I am falling	Here I stay
What about love?	I'll tale this pain, yeah
What about love?	I can, I can
Why are you colder than winter?	But what about love?
You're (3) the picture	What about our promises? yeah
You used to be perfect (yeah)	What about love?
Once you're hot (4) the summer	You (9) it all and leave me nothing
Please help me remember	What about love?
The (5) that you said "bye, bye, bye"	What about us 'til we end?
You're moving on, you say	What about love?
Here I stay	You cut my wings, now I am falling
I'll tale this pain, yeah	What about love?
I can, I can	What about, what about love?
But what (6) love?	What about, what about love?
What about our promises?	What about, what about love?
What about love?	What about, what about love?
You take it all and leave me nothing
