Why'd You Only Call Me When You're High by Arctic Monkeys

(this week)	Left you multiple missed calls
(How many secrets can you keep)	And to my message, you reply
('Cause there's (1) tune I've found)	Why'd you only call me (16) you're high
That makes me think of you somehow)	High
(And I play it on repeat)	Why'd you only call me when you're high
(Until I fall asleep)	Somewhere darker
(Spilling drinks on my settee)	Talking the same shite
(Do I wanna know)	I need a partner (high)
(If (2) (3) flows both ways)	Well, are you out tonight
(Sad to see you go)	It's (17) and harder to get you to listen
(Sort of (4) that you'd stay)	More I get through the gears
(Baby we both know)	Incapable of making alright decisons
That the nights were mainly made)	And having bad ideas
(For saying things (5) you can't say tomorrow day)	Now it's three in the morning
(Crawling (6) to you)	And I'm trying to change your mind
(Ever thought of calling when)	Left you multiple missed calls
(You've had a few)	And to my message, you reply (message you reply)
('Cause I always do)	Why'd you only call me (18) you're high
to fall for somebody new)	(Why'd you only call me when you're)
(Crawling back to you)	High
(Crawling back to you)	Why'd you only (19) me when you're high
(So (7) you got the guts)	And I can't see you here wondering where I might
(Been wondering if your heart's still open)	It sort of feels like I'm (20) out of time
(And if so I wanna know (8) (9) it shuts)	I haven't found what I was hoping to find
(Crawling back)	You (21) you gotta be up in the morning
The mirror's image	Gonna (22) an (23) night
Tells me it's home time	And you're starting to bore me, baby
But I'm not finished	Why'd you only call me when you're high
Cause you're not by my side	Why'd you only ever (24) me when you're high
And as I (10) I thought I saw you leaving	Why'd you only ever phone me when you're high
Carrying (11) shoes	Why'd you (25) ever (26) me
Decided that (12) (13) I was	(27) you're high
(14) dreaming	Why'd you only ever phone me when you're
Of bumping into you	High
Now it's three in the morning
