

Fill in the gaps

Lately I've been seeing things	But you don't (4) it now
Belly button piercings	Now it's (5) dark and the sky looks sticky
In the sky at night	More like black treacle than tar
When we're side by side	Black treacle
And I don't (1) to rain	Somebody told the stars
On anybody's cabriolet	You're not coming out tonight
One of those games you're going to lose	And so they (6) a place to hide
But you want to play it just in case	And now I'm out of place
Now it's getting dark and the sky looks sticky	And I'm not getting any wiser
More like black treacle than tar	I feel like the sundance kid
Black treacle	Behind a synthesizer
Somebody told the stars	And I (7) last night to (8) away a
You're not coming out tonight	laugh
And so they found a place to hide	Like a key (9) the mat
Does it (2) you stay up late?	But it never (10) to be there
Does it (3) you concentrate?	When you want it
Does it tune you in when you chew your chin?	Black treacle
Am I ruining your fun?	Black treacle
And you talk the talk alright	Black treacle
But do you walk the walk or catch the train?	
You wanted it, you got it
