

## Fill in the gaps

Lately I've been seeing things	But you don't want it now
Belly button piercings	Now it's getting (15) and the sky looks sticky
In the sky at night	More like (16) treacle than tar
When we're side by side	Black treacle
And I don't mean to rain	Somebody told the stars
On anybody's cabriolet	You're not coming out tonight
One of those games you're (1) to lose	And so (17) found a (18) to hide
But you want to play it (2) in case	And now I'm out of place
Now it's getting dark and the sky looks sticky	And I'm not (19) any wiser
More like (3) than tar	I feel (20) the sundance kid
Black treacle	Behind a synthesizer
Somebody (5) the stars	And I tried last (21) to pack (22) a
You're not coming out tonight	laugh
And so (6) to	Like a key under the mat
hide	But it never (23) to be there
Does it help you (9) up late?	When you want it
Does it help you concentrate?	Black treacle
Does it tune you in when you chew your chin?	Black treacle
Am I (10) your fun?	Black treacle
And you (11) the (12) alright	
But do you (13) the (14) or catch the	
train?	
You wanted it, you got it
