

## Fill in the gaps

## The View From The Afternoon by Arctic Monkeys

Anticipation has a habit to set you up	And there's verse and (12) sat in her inbox
For disappointment in (1) entertainment but	And all that it says is that you've drank a lot
Tonight there'll be (2) love	You should bear that in (13) tonight
Tonight there'll be a ruckus yeah	Bear that in mind
Regardless of what's gone before	Yeah you should bear (14) in mind tonight
I want to see all of the things	Bear (15) in mind
That we've already seen	You can pour your heart out
The lairy girls hung out	But her reasoning will block
The window of the limousine	Ought you send her after nine o'clock
And of course its fancy dress	Anticipation has a habit to set you up
And they're all looking quite full on	For (16) in evening
In (3) ears and (4) horns in hell	entertainment but
Anticipation has a habit to set you up	Tonight there'll be some love
For (5) in	Tonight there'll be a ruckus yeah
(6) but	Regardless of what's gone before
Tonight (8) be some love	And she won't be surprised
Tonight there'll be a ruckus yeah	And she won't be shocked
Regardless of what's gone before	When she's pressed the star
I want to see all of the things	After she's pressed unlock
That we've (9) seen	And there's (17) and chapter sat in her inbox
I want to see you (10) the jackpot	And all that it says is (18) you've drank a lot
Out the fruit machine	You should (19) (20) in mind tonight
And put it all (11) in	Bear that in mind
You've got to understand it	Yeah you (21) (22) that in
You can never beat the bandit, no	(23) tonight
And she won't be surprised	Bear (24) in mind
And she won't be shocked	You can pour (25) heart out (26) 3
When she's pressed the star	o clock
After she's pressed unlock	When the 2 for 1's undone the writers block

- 1. evening
