Pumping blood to (4) head	It was a quiet day
Another day to fight	On the (16) of hope
You (5) a prayer on your lips	When the (17) went off
Under the desert sun	At the side of the road
And a (6) gun	Sounds of (18) steel

That your (7) said	It feels (21) in a (22) scenes are
Stay out of trouble son	passing by
And be true to yourself	It's your life
