No matter what I say

Fill in the gaps

Better Than I Know Myself by Adam Lambert

Cold as ice	'Cause if I wanted to go I would have gone by now
And (1) bitter (2) a December	But I really need you near me to
Winter night	Keep my mind off the edge
That's how I treated you	If wanted to (13) I (14) have left by
And I know that I	now
I sometimes tend to lose my temper	But you're the only one (15) (16) me
And I cross the line	Better than I know myself
Yeah that's the truth	I get kind of dark
I know it gets hard sometimes	Let it go too far
But I could never	I could be (17) at times
Leave your side	But try and see my heart
No matter what I say	'Cause I need you now
'Cause if I wanted to go I would have gone by now	So don't let me down
But I really need you near me to	You're the (18) thing in (19) world
Keep my (3) off the edge	I would die without
If I (4) to (5) I (6)	'Cause if I wanted to go, I would (20) gone by now
have left by now	But I really need you near me to
But you're the (7) one that (8) me	Keep my mind off the edge
Better than I know myself	If I (21) to leave I would have left by now
All along	But you're the only one that knows me
I tried to (9) it didn't matter	Better (22) I know myself
If I was alone	'Cause if I wanted to go I (23) (24)
Deep (10) I know	gone by now
If you (11) gone	But I really need you near me to
For even a day I wouldn't (12) which way to turn	Keep my mind off the edge
'Cause I'm lost without you	If I wanted to (25) I would have left by now
I know it gets hard sometimes	But You're the only one that (26) me
But I could never	Better than I (27) myself
Leave your side
