### Better Than I Know Myself by Adam Lambert

Cold as ice	'Cause if I wanted to go I would have gone by now
And more bitter than a December	But I really need you near me to
Winter night	Keep my (4) off the edge
That's how I treated you	If wanted to leave I would have (5) by now
And I know that I	But you're the only one that knows me
I sometimes tend to lose my temper	Better than I know myself
And I cross the line	I get kind of dark
Yeah that's the truth	Let it go too far
I know it gets hard sometimes	I could be abnoxious at times
But I could never	But try and see my heart
Leave your side	'Cause I need you now
No matter what I say	So don't let me down
'Cause if I wanted to go I (1) have gone by now	You're the only thing in this world
But I really need you near me to	I (6) die without
Keep my mind off the edge	'Cause if I wanted to go, I would have gone by now
If I wanted to leave I would (2) left by now	But I really need you near me to
But you're the only one that knows me	Keep my (7) off the edge
Better than I know myself	If I wanted to leave I would have left by now
All along	But you're the only one that knows me
I tried to pretend it didn't matter	Better (8) I know myself
If I was alone	'Cause if I wanted to go I would have gone by now
Deep down I know	But I really need you near me to
If you were gone	Keep my mind off the edge
For even a day I wouldn't know which way to turn	If I wanted to leave I would (9) left by now
'Cause I'm lost without you	But You're the only one that knows me
I know it (3) hard sometimes	Better than I know myself
But I could never	
Leave your side
