

Fill in the gaps

Freedom's just a (1) today	Peace was (18) a phase
Freedom's just a word	When someone put it on a shirt
When someone takes (2) (3) away	She nearly killed the days
It's seldom (4) heard	So take those fingers tape 'em up
So (5) a (6) (7) of	And shove 'em up **** ***
things	And carry on
You're not supposed to say	Don't try it now
Carry on	'Cause (19) is gone
But don't write 'em down	All we ever do is talk
Or you'll be gone	We (20) to ride
Love is (8) a song today	But we never walk
Love is just a song	We make it so damn easy
When someone takes the (9) away	We get bored
You'll seldom sing along	Why can't (21) see
So (10) those lyrics serious	What's good for you is bad for me
And sing your (11) away	I can't take (22) silly world
Carry on	I can't (23) your silly world no more
Don't write 'em down	We fight our instincts
Or they'll be gone	We go to extremes
All we ever do is talk	(We (24) apart)
We (12) to ride, but we never walk	(We fall apart)
We make it so damn easy	(We fall apart)
We get bored	(We (25) apart)
Why can't anybody see	(We fall apart)
What's (13) for you is good for me?	(We fall apart)
I can't (14) your (15) world	
I can't (16) your silly (17) no more	
Peace is just two fingers now
