Die Another Day by Madonna

Fill in the gaps

I'm gonna wake up	I think I'll find another way
Yes and no	It's not my (6) to go
I'm gonna kiss	I'm gonna avoid
Some part of	The cliche
I'm (1) keep	I'm (7) suspend
This secret	My senses
I'm gonna close my body now	I'm gonna delay
(I guess) Die another day	My pleasure
(I guess) Die another day	I'm gonna (8) my body now
(I guess) Die another day	(I guess) Die another day
(I guess) Die (2) day	(I guess) I'll die another day
I (3) I'll die another day (another day)	(I guess) Die another day
I guess I'll die another day (another day)	(I guess) I'll die another day
I guess I'll die another day (another day)	I think I'll find another way
I guess I'll die another day	There's so much more to know
Sigmund Freud	I guess I'll die (9) day
Analyze this, analyze this, analyze this (this, this, this)	It's not my time to go
I'm gonna break	(I guess) Die another day
The cycle	(I guess) I'll die another day
I'm gonna shake up	(I guess) Die another day
The system	(I guess) I'll die another day
I'm gonna destroy	Another day
My ego	Another day
I'm (4) close my body now	Another day
I think I'll find another way	Another day
There's so much more to know	Another day
I (5) I'll die another day	Another day
It's not my time to go	Another day
For every sin, I'll have to pay	
I've come to work, I've come to play
