Waste Of Time by Eliza Doolittle

Fill in the gaps

What a waste of time	But you give it to me anyway
Precious little time	What a (13) of time
But I'll waste some of yours babe	Precious little time
If you waste some of mine	But I'll waste some of yours babe
What a waste of time	If you waste some of mine
Precious little time	What a waste of time
But I'll waste some of yours babe	Precious little time
If you waste some of mine	But I'll waste some of yours babe
There's a moment (1) feels (2)	If you waste some of mine
a-nothing	'Cause I know (14) I got
Until it's passed away	And it's (15) me free
There's a (3) and it won't last forever	Anything that you want then I'm (16) to be
Think about it every day	'Cause if I don't have (17) face
I don't know (4) you see in me	Then there's nothing to see
I don't know why you stay	So baby please don't (18) me
'Cause you don't owe me nothing	Baby please don't leave me
But you give it to me anyway	Baby never never (19) (20)
What a waste of time	me
Precious little time	
But I'll (5) some of yours babe	Yeah yeah yeah
If you waste some of mine	Yeah yeah yeah
What a waste of time	Yeah yeah yeah yeah yeah
Precious little time	What a waste of time
But I'll waste (6) of (7) babe	Precious (21) time
If you (8) of mine	But I'll waste some of yours babe
So you think that it's not really working	If you waste some of mine
Well darling (10) again	What a (22) of time
It's (11) and that's why it's perfect	Precious little time
Other colours are so plain	But I'll waste some of yours babe
You don't always see the best in me	If you waste some of mine
And I don't (12) what to say	
'Cause you don't owe me nothing
