

Fill in the gaps

What a waste of time	But you give it to me anyway
Precious little time	What a waste of time
But I'll waste some of yours babe	Precious little time
If you waste some of mine	But I'll waste some of (7) babe
What a (1) of time	If you waste some of mine
Precious little time	What a waste of time
But I'll waste some of yours babe	Precious little time
If you waste some of mine	But I'll waste some of yours babe
There's a moment that (2) like a-nothing	If you waste some of mine
Until it's passed away	'Cause I know what I got
There's a glow and it won't last forever	And it's setting me free
Think about it every day	Anything that you want then I'm happy to be
I don't know what you see in me	'Cause if I don't have your face
I don't (3) why you stay	Then there's nothing to see
'Cause you don't owe me nothing	So baby please don't leave me
But you give it to me anyway	Baby please don't (8) me
What a waste of time	Baby never (9) never never leave me
Precious little time	
But I'll waste (4) of yours babe	Yeah yeah yeah
If you waste some of mine	Yeah yeah yeah
What a waste of time	Yeah yeah yeah yeah yeah
Precious little time	What a waste of time
But I'll waste some of yours babe	Precious little time
If you (5) some of mine	But I'll waste some of yours babe
So you think that it's not really working	If you waste some of mine
Well darling look again	What a waste of time
It's imperfect and that's why it's perfect	Precious (10) time
Other colours are so plain	But I'll waste some of yours babe
You don't (6) see the best in me	If you waste some of mine
And I don't know what to say	
'Cause you don't owe me nothing
