your company

I've tried to let it go	You, me, good as can be
But (1) butterflies I can't ignore	Want to be (6) (7)
'Cause every time that I look at you	So bet your money on me
Know we're in a catch twenty-two	I'm gold, gold
We've been friends for so long but I	(Na ra ta la la)
Need to tell you what's on my mind	I'm gold, gold
I'm sick and tired of playing games	(Na ra ta la la)
'Cause I know that you feel the same	l'm gold, gold
I know you inside out, so I'm asking now	Been to cool just to tell you staight out
Take a chance on me	But by now
How much (2) can I be?	I (8) you figured it out
Hey, boy, (3) gonna do?	I wish you figured it out
If you want me like I want you	I wish you figured it out
Then man up and make your move	I wish ya
I'm gold, gold	You're not a fool
You, me, good as can be	You see what I'm about
Want to be more than your company	So by now I think you figured it out
So bet your money on me	I think you figured it out
I'm gold, gold	I (9) you figured it out
Do I really need to spell it out?	I think ya
My hearts skips when you're around	(Hey) Hey, boy watcha gonna do?
I got everything that you need	If you want me (10) I want yo
So come on baby get (4) to me	Then man up and make your move
So confused and I'm not surprised	I'm gold, gold
From girl to girl, I've seen you roll dice	You, me good as can be
Know all your moves don't know why I fall	Want to be more than your company
Should put me off, but want it all	So bet your money on me
I know you inside out, so I'm asking now	l'm gold, gold
Take a (5) on me	(Na ra ta la la)
How much clearer can I be?	I'm gold, gold
Hey, boy watcha gonna do?	(Na ra ta la la)
If you want me like I want you	I'm gold, gold
Then man up and make your move	
I'm gold, gold
