

## Fill in the gaps

Weekends in bed	We spend all our time (15) (16) by
No (1) or bacon	side
I just have (3) for you	Going nowhere, it's really something
Backs on the grass	Getting busy, doing nothing
Heads in the clouds	We spend all our time running our lives
We (4) our eyes	Going nowhere, it's really something
Enjoy the view	Getting busy, (17) nothing
We don't wanna hear	Doing nothing
The real (5) passing by	We should be working hard
Saying that we're crazy	Instead of (18) naked
We spend all our (6) side by side	Phone rings but I wont take it
Going nowhere, it's (8) something	'Cause you (20) get one life
Getting busy, doing nothing	Only get one life
We spend all our time running our lives	All our time lying side by side
Going nowhere, it's really something	Going nowhere, it's really something
Getting busy, (9) nothing	Getting busy (21) nothing
No (10) or DVD's	We spend all our (22) running our lives
We both got (11) to do	Going nowhere, it's (23) something
I'll hold your hand	Getting busy, doing nothing
Or shall we dance together?	All our time
It's so (13) to choose	Doing nothing
Every time we hear	All our time
The whole world rush by	Getting busy, (24) nothing
I know (14) we're not crazy
